

**What is it?**

- A competition for Introduction Days committees
- ‘The most sustainable Introduction Days’

**Why is it important?**

- Raising awareness amongst new students

*‘Sustainable Introduction Days’ translated to English*

## How do you start?

- Decide on participants
  1. Who?
  2. Are they easy to reach?
- Determine the prize money
- Start recruiting!

**The ranking process**

- Create a questionnaire with important topics
- Point distribution
- Find a way to collect answers
- Let them provide evidence

**PRESSWORK & CLOTHING**

Question	Points total	Answer	Score	Feedback
Is printing and presswork limited as much as possible?	10			
Is the intro specific attire sustainably produced? (For example, made with eco/Fairtrade/second-hand materials)	10			
Do you use sustainable merchandise? (For example, carbon-neutral goodie bags, which can be re-used).	10			

## Studenten voor Morgen

### The final steps
